

March 27, 2020

The ALA Massachusetts Girls State leadership team has been faced with a tough decision in light of recent developments about COVID-19. With growing concerns surrounding the ongoing pandemic and the decision to close Massachusetts schools until at least early May, it is with deep sadness that we inform you of our decision to cancel our 2020 programming. I would like to stress that this was by no means an easy choice. However, the safety of our staff and students is always our primary concern. We are exploring creative options to offer in lieu of the physical program for this year and will provide ongoing updates on any viable solutions. In the meantime, we wish everyone good health and safety during these unprecedented times. We thank everyone for their understanding and patience as it was very tough to come to this conclusion.
