## Special Statement 2021

Hello!

I'd like to highlight a few special points about the upcoming 2021 program.

First, due to the cancellation of the program in 2020, we will allow graduating seniors to apply to the program FOR THIS YEAR ONLY. Applications will be reviewed on a first come-first serve basis and we will limit the number of accepted Seniors to 50 students in order to prioritize the acceptance of any Junior that wishes to attend the program. The number of accepted students of either grade is up to the discretion of the director and depends on the 2021 program's participation rates.

Secondly, if you sent in money for a sponsorship last year that you did not receive a refund for, your account will have that number of credits to apply towards the 2021 program. Those credits can go towards either juniors or seniors for sponsorship for this year.

If you have any questions at all, please reach out to me by email or phone.
