

2026 Sponsorship Intent Packet

Thank you for your interest in sponsoring a student to attend the 2026 ALA MA Girls State Program! The 2026 program dates are from **Saturday June 13th** thru **Friday June 19th** at Stonehill College in Easton MA. Students should be prepared to arrive on campus between **9am** and **10:30am** Saturday morning as the first meeting starts at 11, and they can typically be picked up as early as **10:30am** Friday; the college does need all students to be picked up by **2pm** on Friday to reset.

Students are not permitted to leave campus for other commitments so decisions should be made with this in mind. You may choose an alternate but if that is the case make sure they know they are only attending if the other student cannot attend! *****We cannot return funds if your chosen student cannot attend and you have no replacement student.*****

Sponsorship is **\$400** until **April 1st**, and will increase to **\$450** until the final deadline of **May 20th**. We **cannot** accept late submissions. Forms and payment should be sent together and any payment **received in the Statehouse** after April 10th will be expected to be \$450.

Our **AMAZON WISH LIST** is live again! Click the link or search "ALA MA Girls State" in the gift registry listings. It can be found under "2026 Program Wish List." Any and all contributions are very helpful and appreciated.

*****PLEASE PAY ATTENTION TO THE DEADLINES*****

They exist to allow the **students** enough time to prepare. It is not fair to have to turn them away, nor is it fair to force them to rush, because of late sponsorship paperwork. **FOLLOWING ALL OF THE INSTRUCTIONS BELOW ENSURES PROPER COMMUNICATION TO YOU AND THE STUDENT!**

STEP 1: Make 2 copies of the form on page 2; get check payable to ALA Dept of MA memo: Girls State

Send one copy, along with the check,
addressed to:

**ALA Dept of MA
Attn: Girls State
24 Beacon St
State House Rm 545-A3
Boston, MA 02133**

Send the 2nd copy of the form to:

**ALA MA Girls State
PO Box 128
Wilbraham MA 01095**

STEP 2: Once the form is received **in the PO BOX** you will receive an email from the program's **Formstack** where you will provide the student's information. We will be reaching out **to the student directly**. **If you want the communication to remain open with the student and/or school, that is up to you as the sponsor!**

***From this point the rest of the process is 100% up to the student and their parent/guardian. The registration requirements will be sent to them directly from the formstack site! There are no physical paper forms to make hard copies of. If the student hasn't submitted paperwork for a while after we get their information, formstack will automatically reach out to you to let you know.*

No news is good news!
